

2021 United Nations Decade  
2030 of Ocean Science  
for Sustainable Development

## 2024 OCEAN DECADE CONFERENCE

DELIVERING THE SCIENCE WE  
NEED FOR THE OCEAN WE WANT  
10-12 APRIL 2024  
BARCELONA, SPAIN

As part of the Ocean Decade Week (8-12 April 2024)

# Catalyzing source-to-sea synergies towards healthy rivers & a healthy ocean

9 April, 9:30 – 11:00 CEST, Institut de Ciències del Mar & live streamed

**You are cordially invited to join this interdisciplinary event  
connecting source-to-sea action and science.**

Engage with and learn from a diverse group of experts working to bridge the knowledge gaps between land, water and ocean, developing holistic solutions that accelerate action to counter climate change, pollution and biodiversity loss.

Experts will showcase how Ocean Decade Programmes, such as Healthy Rivers Healthy Ocean (HRHO) and Ocean Acidification Research for Sustainability (OARS), address multiple pressures and support source-to-sea initiatives that bring together science and policy.

**[Click for REGISTRATION & further details](#)  
or scan the QR code.**

*Co-organised by, Stockholm International Water Institute, Action Platform for Source-to-Sea Management, Plymouth Marine Laboratory, the Global Water Partnership & IOC UNESCO*
